

01. Menu should be completed, no need for More... option
Selected items in whole file must be RED not BLUE
hide signin button for now, later will add it

2. Padding and grid system please, need a look to save all in one grid system, and some of text must be RTL,

and keep grid system too...

تمنح المبلغ دولار

05. padding please

06. hide this for now, will add later

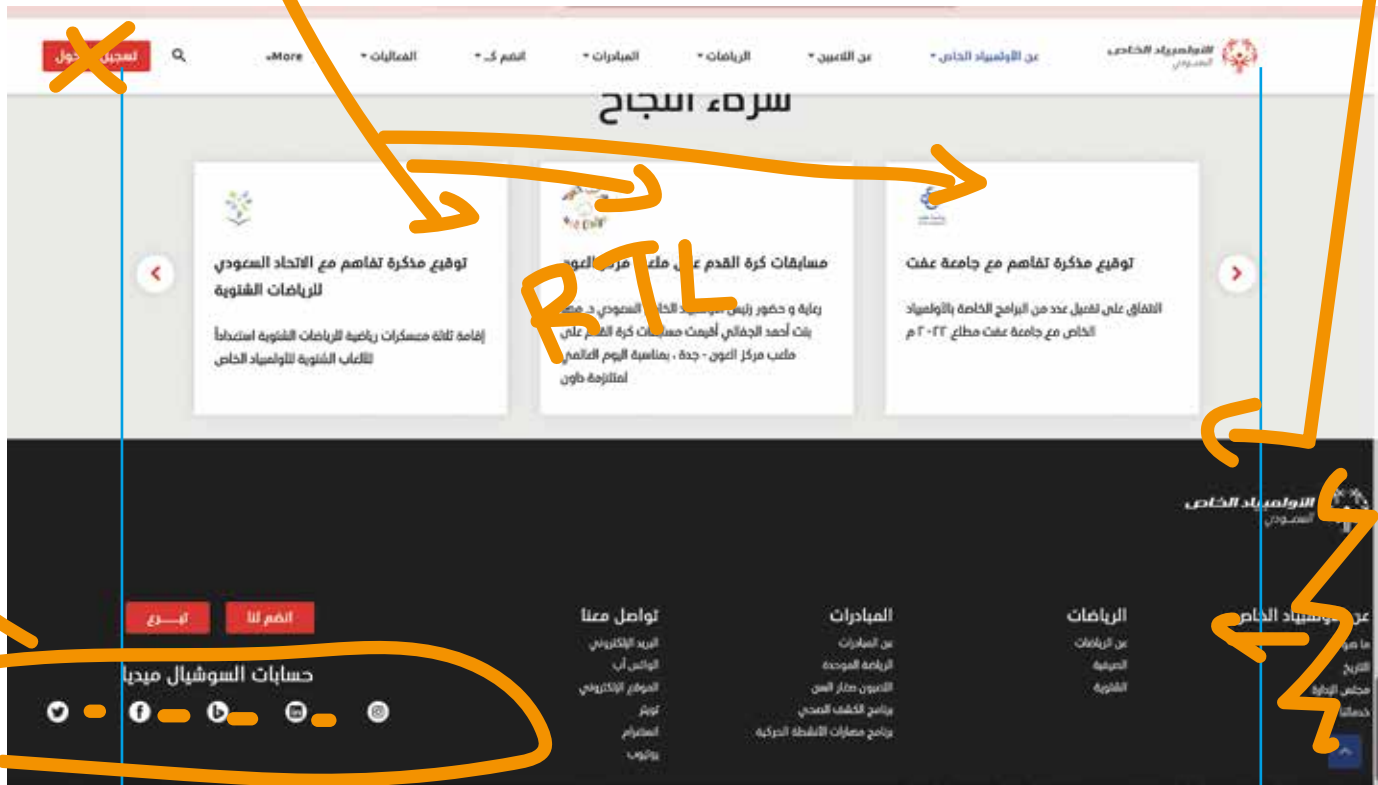

05. padding please

and link all social media after decrease spaces between icons.

RTL please

add contact us form before footer..

08. in this menu, all submenu will redirect to one FORM
will these information..
by the way, dont forget to move RTL drop menu,,
All items will be the final for all registration even in applications
This is the final version!

One Form
